

Summer Reading Bingo!

Collins Intermediate is a campus dedicated to supporting students by encouraging reading for enjoyment. To help your student get ready for the transition to intermediate school, they are invited to participate in Summer Reading Bingo.

The sheet is in this packet. **All you need to do is write the title of the book that was read in the square it matches.** You might need to do a little research about different award winners, but that's all part of the fun. Stop by the Collins Intermediate website any time after mid-May for more information about how the program works, to download the Bingo Board, and see what prizes can be earned at Collins!

If you have any questions about summer reading bingo, please contact Marie Willingham, Collins Librarian, mwillingham@conroeisd.net .
